MARKETING COMMITTEE MEETING MINUTES June 16, 2009 – 1:00 p.m.

North Tahoe Event Center

PRELIMINARY MINUTES

COMMITTEE MEMBERS IN ATTENDANCE: Ron Parson, Christine Horvath, Alex Mourelatos, John Monson, Deanna Gescheider, Deb Dudley and Les Pedersen (1:42 p.m.)

NLTRA STAFF IN ATTENDANCE: Andy Chapman, Jason Neary, Kym Fabel, Sally Lyon and Whitney Parks

OTHERS IN ATTENDANCE: Cathy Davis, Jen Martinez, Pettit Gilwee and Wendy Hummer

1.0 CALL TO ORDER - ESTABLISH QUORUM

1.1 The meeting was called to order by Chair Deb Dudley at 1:18 p.m. and a quorum was established.

2.0 PUBLIC FORUM

- 2.1 Chamber Manager Kym Fabel announced the ChamberEducation program field trip to the Tahoe Environmental Education Center in Incline Village. She encouraged everyone to send their front line employees on the field trip.
- 2.2 Ron Parson would like an agenda item to discuss the reservations subject out of the Marketing Committee.

3.0 AGENDA AMENDMENTS AND APPROVAL

3.1 M/S/C (Parson/Gescheider) (6/0) to approve the Marketing Committee agenda as presented.

4.0 APPROVAL OF MARKETING MEETING MINUTES

4.1 M/S/C (Parson/Gescheider) (6/0) to approve the Marketing Committee meeting minutes of April 30, 2009 as presented.

5.0 REVIEW AND DISCUSSION ON CONSUMER MARKETING MEDIA MIX

5.1 Andy Chapman noted that we plan to have several strategic discussions in the next few months. Included in the Committee packet is the summer media outline and plan. Wendy Hummer reviewed the summer media plan outline. She discussed the major strategies. The annual media plan is broken out with a focus on Summer (April – September) and Winter (October – May). The summer plan focuses more heavily on the drive market as there is not as much advertising by North Lake Tahoe advertisers (ski resort, etc.), and there are more options available for summer travel (Santa Cruz, Monterey, Sand Diego, etc.).

Due to the current economic conditions, staff recommends increasing spend in the Bay Area and allocating the balance in LA in order to keep a presence in the LA market (keep internet and some print in LA). There will be a cut in regional publications in order to accomplish this. The image oriented and N campaign creative will remain, but the copy will be more action oriented, promoting events, activities and deals since the drive market is more familiar with North Lake Tahoe. The activity of golf will be promoted during the summer. Staff will develop advertising campaigns which allow members to participate when there is an interest. There will continue to be contests in media such as radio and internet to build our database and track results. The geographic markets are the Bay Area (drive market) and LA market. The target market remains the same. (Escapists, Age 20-54, HHI 100,000 plus; Mostly Married/Dual Income, May/May Not Have Children, enjoy hiking, shopping/dining, golf, mountain biking, resort activities).

- Wendy discussed the media mix budget. There is a decrease in print from \$127,599 (2008) to \$75,859 (2009); broadcast is up by .5% but using the medium of radio (2009) instead of television (2008). Wendy provided the media mix rational. She said she looks at which media mix will reach the largest percent of our target market cost efficiently.
 - Outdoor delivers the North Lake Tahoe message 24/7 to our target audience. Wendy and her team select high traffic areas for the boards, and it is one of our most cost efficient buys.
 - Magazines directly reach our target audiences and have paid audience. People are willing to pay for magazine content, so they tend to be loyal and active. Wendy and Jen have secured added value by getting discounted rates, premium placements, editorials, online exposure and promotions.
 - o Internet is targeted and cost effective. In many instances, we pay only if people click on our ads. We can still afford to market North Lake Tahoe as a destination nationally on the internet. Internet is very trackable and buys can be optimized, as well as supporting other media.
 - Radio: In present economy, radio is very cost efficient. We can secure ample radio time and can secure additional airtime via promotions. The current tactic is to run a produced spot with a changing 10 second tagline to promote deals and events.
- 5.3 John Monson asked if this plan was year round or only for the summer. Wendy said that the percentage of drive vs. destination for winter still needs to be discussed. Wendy noted that a recent research study surveyed 15,000 people in the retail industry about what drove their decision process to search ideas on the internet, and it was found that traditional channels were driving online searches (47% magazine, 42% newspaper, 43% television and 44% articles). Deb Dudley added that broad base magazines (Time, Newsweek) are having more problems than niche publications (Ski, mountain sports, etc.). Alex asked how Wendy selected what magazines we would continue to advertise in. Wendy said that we will continue to remain in Adventure Sports Journal which is circulated in Northern California and fits our target audience; also, we will continue in Sunset. She also discussed the importance of having connected editorial in the magazine. Pettit Gilwee takes the media plan and uses it to leverage media to encourage them to run North Lake Tahoe editorial. Pettit added that she looks at magazine's editorial calendars in order to find times where the content would be relevant. Wendy also said that Arbitron produced a survey that showed that running radio with internet, the recall increased by 4.5 times versus using internet alone.

Alex said he feels outdoor is a good media to amp up to increase awareness in the drive market, particularly with the last minute booking patterns. Wendy noted that she could not receive an extra free board in Sacramento. Ron Parson asked if the same money to place the boards in the Bay Area could be used to place boards in Sacramento. Wendy said she could, but she does not recommend it. Andy noted that outdoor is more image-oriented focusing on brand awareness and Cool Deals, where radio and print can tell more of a message. Wendy noted that each medium has different strengths: outdoor reaches geographic targets where print and internet can meet the demographic targets, and radio gives reach and the demographic targets. Wendy discussed the other locations where she will place the free outdoor boards: I-680 in Walnut Creek (June), Highway 101 in Santa Clara (July), El Camino in Belmont (August) and Highway 101 in San Jose (September). Alex asked if there is a way to determine the number of visits to North Lake Tahoe by Bay Area cites. Wendy said that it is fairly easy to do a quintal map on skier visits, and possibly golfer visits. Alex noted that the placement of the Diamond Peak billboard on I-680 has a tremendous recall factor. He added that Sugar Bowl, Alpine Meadows and Squaw also have well placed billboards. Wendy said the radio message will be 50 seconds with a 10 second tag at the end that can be varied to promote various events/activities and values. There was discussion if Sacramento is included in the drive market. Wendy said that we have pulled back on Sacramento, as the Bay Area drives more of the overnight stays, and we don't want to spread resources too thin. John asked why the direct response is separated. Wendy said direct response is basically database marketing, and Smith and Jones manage the direct response.

- 5.4 Wendy discussed the Summer 2009 Media Mix charts compared to the Summer 2008 charts. The print is down 7% and internet is up 3%. The drive is up 9% and the regional is down 11%. Wendy said the drive media mix remains very similar although the broadcast has changed since we did radio vs. cable. Since we spent less in the LA Market, we focused more on Internet (up 12%). Regionally, we decreased spend in print (-38%) and increased internet and annuals. She feels that only placing internet in LA would not provide enough impact and reach, as when placed with regional print. There was discussion about the Winter 2008/09 media mix vs. 2007/08 media mix. There was a strong increase (28%) in the drive market and a decrease (-36%) in the LA market. In LA, we focused more on print (up 54%) and less on broadcast (-70% since our TV ad aired in 2008). Alex wondered if we could collaborate on a higher level to produce connected media placement and create more leverage. Deb said that since Wendy buys ads for so many area businesses, she has an inside knowledge and is able to give everyone in North Lake Tahoe better deals.
- Deanna suggested that ski areas could place the N logo in their ads to produce a cooperative message. John Monson agreed that N is a strong brand. Christine Horvath suggested that North Lake Tahoe should have a North Lake Tahoe Ski Cooperative. She said that ski resorts could buy in according to skier visits. Ron Parson suggested putting an item on next month's agenda regarding the North Lake Tahoe Ski Coop. Deanna and John agreed that a ski area collaboration would be very useful. Andy noted that we already offer the Ski Tahoe North interchangeable lift ticket. There was discussion about the importance of keeping some dollars in the LA market in order for us to keep a presence that we can pick up when the economy gets better. Ron Parson suggested that we create ads that are more retail-oriented and offer buy-ins to lodging or other partners, like Jason Neary does for conference ads. Cathy said we have already shifted our message to promote Cool Deals and Tahoe as a value destination. She asked Ron how we could make the campaign more retail as the NLTRA

can't promote a \$49 room rate because we do not have that available as a destination organization. Wendy noted that we tried cooperative buys before and did not receive participation. Deb Dudley said there is no reason why NLT properties could not buy ad space in the same magazines where NLTRA has ads. Alex feels by promoting a cheap deal, we will not get the type of guest that we want. Cathy said we are maintaining our brand with the look and feel of the ad and changing copy to produce a message about Cool Deals. Deb noted that we still need people to come on midweek visits which is why it is important to maintain the LA message and national internet. Ron suggested that we incorporate value and proximity. Christine and Les suggested tailoring the message to the publication. Wendy said there needs to be more education to lodging properties as ways they can better promote themselves. Alex said that all properties need to provide regular feedback to staff from regarding their bookings through Cool Deals and GTN. He feels we are still losing people at the interface of Cool Deals. Deb Dudley said the task force will review web and events and give suggestions that will come back to this Committee. Alex noted that we are facing pressure from Placer County to keep on budget, and we may have to make tough decisions and cuts to remain on budget. Deb said we should let the professionals review the budget as it is prepared and suggest cuts and draw back as needed.

6.0 DISCUSSION AND POSSIBLE ACTION TO RECOMMEND FOR BOARD APPROVAL THE MARKETING, CONFERENCE AND VISITOR INFORMATION 2009/10 BUDGETS

- As the Committee is aware, the NLTRA has been working on the FY-2009/10 budget over the last several months. Staff has worked with the Executive Committee in preparing the draft budget. Today, we will review the Marketing, Conference and Visitor Information budgets. Copies of these budgets are included in this month's Committee packet. Deb noted that these budgets are prepared from a \$3.6 million TOT budget which is \$500,000 less than last fiscal year. We are moving money from infrastructure in order to keep marketing dollars up.
- Sally reviewed the marketing revenues and expenses. Deb noted that the NLTRA has saved \$100,000 in staffing, overhead, etc. to place into Marketing budget. There was discussion about the Ski Tahoe North Interchangeable ticket. Andy has budgeted less money in this line time than we received in 2008/09 as he feels that we had extremely high sales of the STN ticket in 2008/09 and does not feel its appropriate to budget the same high level of commission revenue for 2009/10.
- 6.3 M/S/C (Parson/Gescheider) (7/0) to approve the marketing, conference and visitor information budgets as presented and recommend for NLTRA Board approval.
- Ron Parson said he feels that the NLTRA should include staff time and overhead in the Autumn Food and Wine budget. Alex said the role of the NLTRA in events will be discussed by the newly developed task force.

7.0 SUMMER RADIO CAMPAIGN UPDATE

7.1 Andy said that per Committee approval, a 4 week paid radio campaign plus 2 weeks of radio promotions was placed in the Bay Area for summer 2009. Wendy discussed the buy as included in this month's Committee packet. The flight dates are June 8-21 and August 17-30. The recommend buys are KFOG-

FM, KLLC-FM, KOIT-FM and KSAN. The total cost is \$52,136. The total value is \$77,136 with 5,628,900 impressions.

- 7.2 John asked if KOIT-FM actually used the term Stay-at-Home Vacations. Wendy said that they refer to staying in the Northern California, regional Bay Area geographic area. There was discussion about the number of people that actually claim prizes they win in giveaways. Wendy said there are varying numbers on this.
- 7.3 Andy played the radio spot for the Committee. Alex and Ron suggested incorporating proximity "close to home" into the 10 second tag. Jason said that may be a negative approach as many other destinations (Santa Cruz, Monterey) are even closer to home. Les Pedersen felt that the music in the spot could be more upbeat and appeal to a younger demographic. Several other Committee members agreed that the music with the voiceover was relatively boring and may be picked up to be more fun. Cathy said she used the music in order to keep the high quality of the NLT product, not necessarily fit with the type of music played on the station. Christine suggested reiterating the word "North" in the radio ad.

8.0 DEPARTMENTAL REPORTS

- 8.1 Jen Martinez said we received the front page of the Sunset travel directory in the entire Sunset circulation of 1.2 million people. She said the cost of an ad in the travel directory is much less than in the CA travel section, and we received the added value of the increased circulation.
- 8.2 Cathy Davis provided a written departmental report for June 2009. She said we are doing more contests with our internet placements (contests in Northern CA, Southern CA and nationally). Web visitors will enter to win, and then we will capture all their information. She said that the summer newsletter is expected to drop early next week. Web projects include Cool Deal member submittal improvements, revise homepage for summer and integrate more social media into website and emails. Cathy provided a report on the normalization of the radio and TV media analysis from January-March 2008 vs. January March 2009. Mike Williams normalized the results of the Cool Deals due to Alex's request at the last meeting. If anyone has questions, they can contact Mike Williams directly.
- 8.3 Jason said it was a busy month in Conference sales. He attended the CALSAE at the Resort at Squaw Creek which was a big success with increased attendance. He also attended the Affordable Meeting show in San Jose where attendance was down. The Resort at Squaw Creek hosted the SIMP media planners with a co-hosted dinner. He also hosted three site inspections. Ron Parson said his staff confirmed that San Jose show was not well attended, but attendees who were there were serious about booking.
- 8.4 Pettit Gilwee reported that she is drafting and sending media materials to targeted media outlets regarding Autumn Food and Wine. She is leveraging advertising efforts with editorial opportunities and booking chef demonstrations on Northern California TV stations. She also teamed up with other tourism organizations to host the Golf the High Sierra Media Tour on May 31 through June 6. Tahoe Mountain Lodging provided complimentary accommodations which attendees claimed to be the best of the tour. There are 8 news releases in the works and six releases distributed in the last month, including Lake Tahoe on

a Budget Includes More than Just the Basics and North Lake Tahoe is Still a Kid's Playground.

9.0 COMMITTEE MEMBER COMMENTS

9.1 Deanna said we should discuss the winter consumer marketing plan at July's meeting. Alex noted that the NLTRA Board has formally approved and appointed members to a marketing task group to discuss and make recommendations on special events and web site strategies.

10.0 STANDING REPORTS

The following reports were posted on www.nltra.org:

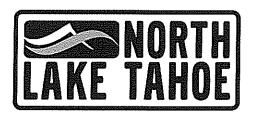

- Reno/Tahoe International Airport March Report
- May Search Engine Optimization Report
- May GeoTracking Report
- May Web Report
- May Click Thru Report
- May MTRiP Report
- April Financials

11.0 ADJOURNMENT

11.1 The Marketing Committee meeting adjourned at 3:15 p.m.

Submitted by:

Whitney Parks, Administrative Assistant

North Lake Tahoe Resort Association July 28, 2009

BACKGROUND

As the committee is aware, the NLTRA has been working on the FY 2009/10 budget over the past several months. This budget process was outlined in the NLTRA's 6-month planning process. Various committee and community meetings have been conducted over the past 6 months to solicit input regarding the various departmental budget plans and directions.

Staff has worked with the NLTRA Executive Committee in preparing the draft FY 2009/10 budget. Staff will review the Marketing, Conference and Visitor Information budgets with the committee with the committee with discussion to follow.

SITUATION

Staff will provide an update on the current state of the FY 2009/10 NLTRA Budget Process.

North Lake Tahoe Resort Association Assumptions for the Proposed 2009-2010 Budget Compared to Forecast 2008-2009

Consolidated

Revenues

• Placer County Payments: For the 2009-2010 year, funding from Placer County is based on the proposed \$3,600,000 Budget. This is the total NLTRA contract amount reduced by the Infrastructure funds held by Placer County of \$491,080. The funding is split \$1,895,720 for Marketing, \$1,005,700 for Transportation Services and \$207,500 for Infrastructure administration and research and planning. Placer County Payments in Infrastructure is only the administration and research and planning and does not include project revenue. There will be project revenue to match project expenditure.

Erpenses

- Salary/Benefits: Decrease of -5% (-\$54,000) overall. There are no salary increases in the budget for the year. A seasonal position was eliminated. Commissions are decreased based on projected Commission Sales. Health Insurance is decreased by -30% (-\$42,000) based on change in plan.
- Rent: Decrease of -7% (-\$8,000) with a decrease in projected Common Area Maintenance and no rent increase for CPI.
- Marketing Cooperative/Media: Decrease of -6% (-\$48,000) based on funding level at \$8,000 less than prior year, and less the additional \$40,000 in approved reserve funding to marketing in 08/09.
- Program expenditures are reviewed in the departmental discussion below. All other expense variances are minimal.

Marketing

Revenues

- Placer County Payments: Increase of 7% [\$94,000] for additional marketing programs.
 See below under expenses for programs and amounts.
- Special Events (AFW): Decrease of -13% (-\$11,000) for Autumn Food and Wine revenue projected lower because of decreased sponsorship dollars.
- Commissions: Decrease of -25% (-11,000) to reflect lower Ski Tahoe North Sales.

Expenses

- Marketing Research: Increase of 56% [\$9,000] to continue consumer marketing research.
- Programs: Increase of 6% [\$7,000] for a total funding of \$137,000. This includes funding of \$85,000 for community marketing programs, and \$52,000 for Placer County Film (5% decrease from last year).
- Autumn Food & Wine: Decrease of -15% (-\$13,000) to match revenue decrease.
- Special Events: Increase of 170% [\$30,000], \$30,000 for New Event Development.
- Miscellaneous Marketing Programs: Increase of 85% [\$16,000]. The budget of \$35,000 includes Enhanced Web Operations \$20,000 and Fabulous Fall Funding \$15,000.

North Lake Tahoe Resort Association Assumptions for the Proposed 2009-2010 Budget Compared to Forecast 2008-2009

Conference

Revenues

- Member Dues: Decrease of -15% (-\$1,500) with lower member revenues.
- Commissions: Decrease of -24% (-\$43,000) based on anticipated decrease in advance bookings and total booked room revenue projections.

Visitor Support/Transportation

Revenues

- Miscellaneous: Decrease of -100% (-\$14,000) since this car rental mitigation fee
 payment will not be received, and corresponding marketing expense will not be paid to
 TNT/TMA.
- Placer County Funding: Decrease of -16% (-\$188,000) based on approved transportation project request and \$10,000 less for research and planning.

Expenses

- Research and Planning: Decrease of -20% (-\$10,000) per agreement with Placer County.
- Transportation Projects: Decrease of -16% (-\$160,000) based on greater efficiency in the North Lake Tahoe Express and elimination of the Summer Trolley Transit Service.

Visitor Information Center

Revenues

• Placer County Funding: Decrease of -12% (-\$20,000) based on funding needs.

Expenses

Salaries/Benefits: Decrease of -5% (-\$6,000) with elimination of one seasonal position.

Chamber of Commerce

Expenses

- Membership Events/Newsletter: Increase of 7% [\$4,000] based on planned membership programs.
- Public Relations and Website: Increase of 71% [\$3,000] for further enhancement of the Chamber Website.

<u>Infrastructure</u>

Revenue

- Placer County Payments: No change from prior year, \$207,500 for base payment and \$326,000 of identified project expenditures that are held by Placer County. The NLTRA budget contains no revenue or expenditure for projects as revenue will be recognized as expenditures are made.
- Interest: Decrease of -69% (-\$4,000) with lower interest rates and decreased cash in bank.

Expenses

• Projects Infrastructure: Decrease of -100% (-\$1,384,000) with no project expenditure (see note under revenue). The recognized revenue matches the expense.

North Lake Tahoe Resort Association July 28, 2009

BACKGROUND

As the committee is aware, the NLTRA is involved in a cooperative marketing program with the IVCBVB. The NLTRA board this last spring signed a new three year agreement with IVCBVB. The NLTRA board of directors also approved the NLTRA FY 2009/10 budget which sets the funding resources for our contribution to the coop.

Staff and agencies, with input from various committees and the NLT Coop committee, have developed a draft coop budget plan for FY 2009/10.

SITUATION

Staff will review the draft North Lake Tahoe Marketing Cooperative budget with the committee and solicit input for further consideration.

Draft FY 2009/10 Budget Notes

- NLTRA base funding down \$8,000 from prior year
- IVCBVB base funding down \$195,000
- Budget has no Fees or Commissions
- Total budget down 16% from prior year revised (prior year included \$40k of additional funding for Winter Bay Area radio)
- Department Budgets
 - Public Relations budget
 - Reallocated \$19,000 for VNR from PR budget to Website Programs budget
 - Decreased remaining budget 10%
 - Leisure Sales budget
 - Decreased budget \$36,000 or 30%
 - International representation cost in UK and AUS will be cooped with South Lake Tahoe saving \$27,500 in expense
 - Conference Sales budget
 - 7% or \$12,000 increase in Conference Sales budget
- Coop/Misc. Programs
 - Sierra Ski Marketing Council
 - Reduced \$13,000 or 14% from prior year
 - Maintain North Lake Tahoe specific ads in Ski & Skiing Magazine
 - Regional Marketing Committee
 - Funding flat to prior year
 - Prior year funding was reduced 50% from agreed amount
 - North Lake Tahoe Wedding and Honeymoon Association
 - Reduced \$12,500 or 14% from prior year
 - o MTRiP
 - Reduced \$5,000 or 33% from prior year
 - o California Snow
 - Reduced funding to zero and will not be billed this year
 - Savings to budget of \$28,000
 - o Fulfillment
 - Reduced \$2,000 to reflect actual dollar amount

- Consumer Marketing
 - Drive Market
 - Total reduced 17% or \$30,000
 - Prior year included \$40k additional funding from NLTRA reserves
 - Strategy to compete and defend core Northern California market
 - o Destination Market
 - Reduced 24% or \$43,000 from prior year
 - Shift resources to defend Northern California market
 - o Outdoor
 - Funding flat to prior year reflecting actual cost of billboard
 - o Internet
 - Reduced 31% or \$38,000
 - o Direct Response
 - Reduced 14% or \$12,000 from prior year
 - o Website Programs
 - Reallocated \$19K for VNR/Web from Public Relations
 - Reduced core program 12% or \$8,000 from prior year
 - Net increase of \$11,000
 - Production/Promo Planning/Client Services
 - Reduced 20% or \$27,000 from prior year

North Lake Tahoe Resort Association July 28, 2009

BACKGROUND

Staff and agencies have developed a draft Winter 2009/10 planning outline for review and discussion with the committee.

North Lake Tahoe Marketing Cooperative

Consumer Marketing Annual Planning Outline July 2009 – June 2010

Overall Marketing Strategies

- Target those who are looking to get away and most likely to visit a mountain destination, specifically Lake Tahoe.
- Focus the marketing predominantly on the Bay Area drive market and then the Destination market which includes Southern California and western U.S.
- Promote North Lake Tahoe as year-round destination which offers a variety of activities and is easily accessible from anywhere.
- Investigate a cooperative advertising program with North Lake Tahoe resorts. Continue to provide coop options to members whether they be media or promotional opportunities.
- Continue marketing and creative campaign as it was well received in research findings. Adjust copy to address North Lake Tahoe as a value destination and promote the Cool Deals section of the site.

Media Strategies

The annual media plan is broken out with a seasonal focus.

Summer: July - September 08' and April - June 09'

Winter: October 08' - March 09'

- This fiscal will see a 21.4% reduction in direct media spend from fiscal 2008-2009. Therefore we should
 prioritize markets and media mix. We want to ensure we maintain impact in our two primary markets.
- Winter: Recommend a heavier concentration on the Bay Area market than in past winters due to the current
 economic situation and its impact on the travel industry. We would like to keep some exposure in the LA
 market. Outside of California we will have some coverage with internet and visitor guides.
- Summer: Concentrate heavily on the drive market.
 - There are less advertising dollars spent directly by other companies in North Lake Tahoe. The NLT Marketing coop needs to maintain a North Lake Tahoe presence in this market and drive summer visitation.
 - 2. There are many options available to Bay Area travelers for summer travel destinations and interests. North Lake Tahoe needs to keep awareness up and entice visitation from its primary feeder market.
 - Summer 2010: we should re-evaluate the drive vs. destination focus based on the economic situation at this time

Geographic Focus

Summer: July-September

2008 2009

Drive: 60% \$106,730 Drive: 70% \$97,378
Destination: 40% \$77,154 Destination: 30% \$41,733

Summer: April-June

 2009
 2010 Proposed

 Drive: 70%
 \$76,280
 Drive: TBD

 Destination: 30%
 \$32,691
 Destination: TBD

Winter: October-March

2008-2009 09-10 Option #1 09-10 Option #2

Drive: 55% \$176,419 Drive: 50% \$131,231 Drive: 60% \$157,478 Destination: 45% \$144,343 Destination: 50% \$131,231 Destination: 40% \$104,985

*note: destination is predominately LA.

Target Market

- Escapists
- Adults age 30-54
- Mostly married dual income
- May or may not have children
- HHI \$100,000
- Interests: Outdoor activities
- Propensity to visit Lake Tahoe

Media Bu	dget:	Actual 07-08 \$773,448	%	Actual 08-09 \$643,551	%	Proposed 09-10 \$520,000	%

^{*}includes direct response

Media Mix

1. Annual Directories

08-09 - \$35,934 - 5.6%

Proposed 09-10 - \$30,396 - 5.8%

Publications: AAA Tourbook, California and Travel Planners

The state planners enable us to ride the wave of the larger CA advertising budget and their efforts on a national and international basis. This is a coop ad where NLT Coop members can participate. The AAA Tourbook reaches destination travelers from within the US visiting Northern California and Nevada.

CA Travel Planner: We've received a high number of leads from this publication with a low cost per lead.

Creative message -

Scenic images that are not activity focused. Include copy that promotes both summer and winter activities. The CA Planner will include co-op partners as featured partners below main copy. Call to action will be to call, go to the website or contact partners directly.

2. Magazines

08-09 - \$197,949 - 31% Proposed 09-10 - \$151,354 - 29.1%

Sample Publications

Year Round: 7x7, SF Magazine, VIA, Westways, LA Magazine & Sunset

Winter: Ski/Skiing Magazines & Snow Magazine

Summer: NCGA, Adventure Sports Journal & Fairways & Greens

We can select publications that specifically reach our target market and support our brand with their editorial focus. Magazines have been very accommodating and willing to work within our budget and still provide substantial added value. Magazines are a great way to convey the brand and photography through large color ads.

2008 Ad Awareness Study showed a high level recall for print advertising within our target market.

Creative message -

As mentioned above, we will continue with the N campaign and work in the deal/value message. We will also address ease of travel, activities, etc based on the specific publication and/or editorial. Photography will also be tailored per publication.

3. Internet

08-09 - \$128,199 - 20% Proposed 09-10 - \$105,000 - 20.2%

Paid Search

Samples: Google and Yahoo

We need to make sure we have a presence while people search for broad travel terms as well as North Lake Tahoe travel terms. We avoid terms that are purchased heavily by members so as not to compete. Paid Search can be utilized during several stages of the travel planning and buying process. We want to make sure we are present when internet users are ready to purchase as well as in the planning stages. This also includes the participation in Visitinglaketahoe.com where we purchase "Lake Tahoe" on the main search engines in partnership with South Lake Tahoe.

Visitinglaketahoe.com 08/09 Results Total Impressions – 2,708,745 Total Clicks – 147,216 CPC – 39 cents

Newsletter Sponsorship/Emails

Sample: Year Round: Newspaper emails/travel newsletters, metro newsletters

Winter: Onthesnow

Summer: Fairways & Greens

This is a great way to convey the brand and market events and seasonal information. These have proven quite successful on a cost per click basis especially when we include contesting.

Sites Buys

Websites are selected on seasonal content and focus as well as the ability to reach our target market geographically and demographically.

Sample Sites: Year Round: Trip Advisor, Sunset.com, Away Network & Yahoo Travel

Winter: OntheSnow.com & winter enthusiast's network buys

Summer: Mountain getaway & golf sites

Gotahoenorth.com 08/09 Results Total Impressions – 10,912,942 Total Clicks – 56,389 Average CPC – \$1.35

Creative message -

All online advertising will drive traffic to GoTahoeNorth.com. Many of the banners and text listings will promote Cool Deals and link directly to those pages. Newspaper Sponsorships/Emails will include more information on activities in North Lake. For example golf in a Fairways and Greens email or be specific to the market for example easy air travel from LA based newspaper databases. Call to action will be to go to the website. We would like to incorporate contests wherever possible as a message as it has dramatically increased our click through rates.

4. Outdoor

08-09 - \$83,466 - 13% Proposed 09-10 - \$83,250 - 16%

This is for the location west of the Bay Bridge on I-80. It offers us 24/7 brand awareness during the 9 months we are contracted. We are able to continue to contract this location at almost 50% less than the going market rate. For summer 2009 we were able to include a second bonus location to run June-September. These locations were in the South Bay, East Bay and Peninsula on major Freeways.

Creative message -

Big imagery that will stand out in the clutter, website and the n. Call to action is to go to the website.

5. Broadcast

08-09 - \$117,863 - 18.6% Proposed 09-10 \$78,000 - 15%

\$26,000 of this budget was allocated this summer to the Bay Area radio campaign. This leaves \$52,000 that we could use during the winter as part of a North Lake Tahoe ski cooperative campaign in LA or to react to snow conditions in the Bay Area. Otherwise we would move this \$52,000 back to internet and print. Keep in mind that \$40k of the 08-09 broadcast budget was additional funds. Without these additional funds broadcast would be at 12% for 08-09.

07/08 Results -

2008 Ad Awareness study showed that 12% of respondents recalled the spot. Study also showed that the TV spot gave a strong impression that NLT is a premier destination for skiing/snowboarding.

Creative message -

Creative to be tailored to the medium and goal of the buy.

6. Direct Response

08-09 - \$85,657- 13.3% Proposed 09-10 \$72,000 - 13.8%

Year-round: Monthly email blasts Winter: Database Newsletter Summer: Database Newsletter

This includes newsletters and email blasts to the NLT consumer database. The newsletter will be sent to Western States database which is 50,000-55,000 and the email database is about 30,000.

Results -

Newsletters have proven to be a popular co-op program with 6-10 partners in every newsletter. Email campaign has seen a consistent open rate of about 10-15% and a click-through-rate of 1-2%.

Creative message -

With direct mail and email offering more real estate for copy, we continue to convey the variety of activities available as well as events, news and current cool deals. Call to action is to call, go to the website or contact partners directly on co-op pieces.

MEDIA MIX

	2008-2009 Winter \$320,762	2009-2010 Winter \$262,463

North Lake Tahoe Resort Association July 28, 2009

BACKGROUND

The Conference Sales department has historically conducted a review of its marketing efforts and related return on investment with the conference sales partners. This year's meeting was held on Friday June 12th. At this meeting the group discussed possible options for this year Conference marketing plan.

Staff and agencies will present the proposed media plan and related Conference Sales Trade Show schedule with the committee for input.
