

NORTH LAKE TAHOE CHAMBER PHOTOGRAPHY PROGRAM

A PICTURE IS WORTH 1,000 WORDS

In order to further the economic health of our business community, we would like to offer the following photography opportunity to TBID & Chamber members.

What the program offers:

- 3 images of your business shot by a professional photographer
- 1 hour timeslot, scheduled & confirmed in advance, in May 2023
- Full rights in perpetuity to the images, shared with the NTCA and Go Tahoe North.
- We recommend an exterior shot, an interior shot, and a shot of employees & customers interacting. You can use employees, friends, family, etc. as models.
