Subject: CI/T Organization Structure Subcommittee Recommendations Regarding Administration

of Capital Investment Projects Memorandums of Agreement/Contracts

From: Ron Treabess, Director of Community Partnerships and Planning

Staff Recommendation:

 Staff requests that the NLTRA Board review and approve the attached CI/T Subcommittee recommendations regarding administration of Capital Investment projects Memorandums of Agreement/Contracts (MOA).

Capital Investment/Transportation Committee Recommendation:

- After discussion at its September 26th meeting, the CI/T Committee voted unanimously (10/0/0) to recommend the attached organizational revisions for administration of Capital Investment project MOAs.
- At the CI/T meeting the draft amended scope of work had not been prepared, but the new tasks to be included were included on the list of changes.

Background Information:

- During the preparation of the current NLTRA/Placer 2016/17 Contract Agreement, it was
 determined to review the roles and tasks of each entity in the undertaking of Capital
 Investment/Transportation "Call for Projects" process, as well as Grantee assistance,
 project scope of work and scheduling development, preparation and management of
 project MOA's, and many of the steps necessary to achieve the above.
- Recommendations would then be made to increase the efficiency of the NLTRA and the
 County to provide what each can do best in working together to improve level of support to
 the community, organizations, and agencies. The end goal being development of
 appropriate TOT funded projects and programs through an easy, productive, and efficient
 process for Grantee's, the County, and NLTRA. This will help lead to a stronger
 community offering better opportunities for North Lake Tahoe visitors.
- These recommendations have been prepared as a result of the efforts of the NLTRA Task
 Force to review NLTRA organizational structure, followed by more in-depth detailed
 recommendations by the CI/T Subcommittee, and, finally, compilation by NLTRA and
 County CEO staff.
- Once reviewed and approved by the Board of Directors, these changes/adjustments will be used to draft an amended 16/17 NLTRA/Placer contract and scope of work for submittal to Placer County Board of Supervisors at its October 25th meeting.

Decision Considerations:

- To approve moving forward with changes as described in the attached CIT Committee, staff, and CIT organization subcommittee recommendations for NLTRA Board and County consideration in developing the amendment to the 16/17 Contract Agreement.
- The main adjustments to the existing Contract Agreement and scope of work will be that the NLTRA CIT provide a stronger involvement and assistance in the "Call for Projects" to encourage better achievement of meeting the priorities of the Tourism Master Plan.
- The County will provide execution and administration of project Memorandum of Agreements (MOA) with the lead provided by the local County CEO Tahoe Office.
- The County will develop a general MOU or standard checklist for repeat agency grantees with competitive bidding requirements instead of for each project grant.
- The County will also provide quarterly updates to the community on project expenditures and account balances.
- New NLTRA CIT tasks have been identified in the attachment and will be included in the amended scope of work with the County.

NLTRA Organizational Structure Capital Investment and Transportation

CI/T Committee, CI/T Subcommittee and Staff recommendations for changes that should be incorporated into revisions of Placer/NLTRA Contract Amendment language.

Project review, prioritization and monitoring provided by NLTRA including:

- Management of "Call for Projects" process including review of applications.
- Review of project goals, scope of work, budget, and project schedule.
- Review of projects against community priorities.
- Recommendation of projects for funding to NLTRA Board.
- Assistance to grantee in preparation of scope of work and budget for submittal to NLTRA Board.
- Submittal of Board approved projects including prepared scope of work and budget to County Executive Office.
- Review project invoices to insure consistency with scope of work and budget.
- Review of progress reports and final report from Grantee when project is complete.
- Assistance to grant recipient with issues that may impact implementation.

Contract execution and administrative support provided by County including:

- Preparation of project contract (Memorandum of Agreement).
- Management of project MOA's to insure compliance with State requirements (competitive bidding).
- Review and process project invoices for payment.
- Development of general Memorandum of Understanding or standard checklist for repeat agencies with competitive bidding requirements.
- Tracking of project expenditures and on-going account balances.
- Update quarterly to community on project expenditures and account balances.
- County MOA and/or MOU management provided by local County CEO Tahoe Office.

New NLTRA tasks to be included in amended scope of work with County

- Develop and provide public workshops on grant guidelines. Emphasis placed on the priorities of the 2015 Tourism Master Plan.
- Additional outreach to further engage community including public presentations, media outreach and other in advance of call for projects announcement.
- Publicize call for projects 4-6 months prior to application deadline.

Benefits to Community, Grant Recipients, NLTRA and County

- 1. NLTRA advisory role to Board of Supervisors continues.
- 2. CIT committee reviews, prioritizes and recommends projects to Board of Directors.
- 3. Contracting (MOA) process more efficient for grant recipients.
- 4. TOT funding not impacted by changes.
- 5. Additional tasks added to NLTRA role for program/process improvements.

- 6. Less oversight of NLTRA compliance such as competitive bidding requirements and financial reports regarding project expenditures.
- 7. Reduction in reporting requirements to County.
- 8. Gained efficiencies in program.
- 9. Closer relationships with grantees, agencies, organizations and local CEO office to insure successful implementation of projects.
- 10. Implementation of 2015 Tourism Master Plan.
- 11. Additional time to further engage community and vet project priorities.
- 12. NLTRA and County roles are complementary.

Staff Report for Board

Subject: Contract with Placer County

From: Sandy Evans Hall

Decision Considerations: The fourth Amendment of Agreement, between County of Placer and NLTRA, has been through a series of meetings with NLTRA and County staff, and reflects the recommended changes of the CI/T Subcommittee on Organization Structure. The following are some key changes that have met approval of all parties:

- The added TOT revenue for 2015-16 was \$2,233,580. This added TOT will go to Capital Improvements, increasing the amount available for the annual Call for Projects as well as cover existing allocation commitments from prior years. This is reflected in Attachment C.
- Changes in the contract are in the area of Capital Improvements, removing language to reflect the recommended changes of the CI/T Subcommittee which include monitoring the contract compliance with the applicants which will now be done by the County.
- Changes in the Scope of Work (Attachment A) include a requirement to have all event permits to the county 90 days before an event and to have a system of contacting all stakeholder agencies for each event. There were also changes to the Capital Improvements tasks and performance indicators following the recommendations of the CI/T Subcommittee.
- There will be no change in revenue or expenses as a result of this amendment to the NLTRA as all of the funds from the additional TOT will be placed in the County Treasury.
- Approval of the Placer County Board of Supervisors is scheduled for October 25, 2016

Staff Recommendation: Approve this Fourth Amendment of Agreement as presented.

Given the funding relationship between the COUNTY and RESORT ASSOCIATION and the need to represent both organizations' interests in a coordinated manner, the County Executive Office shall be responsible to ensure said representation is not in conflict with COUNTY goals and objectives and that collective interests of the COUNTY and the RESORT ASSOCIATION are represented. Should the County Executive Office find such a conflict occurs, the County Executive Office shall bring said conflict to the attention of the Executive Committee of the RESORT ASSOCIATION for resolution and the RESORT ASSOCIATION shall within fifteen (15) business days communicate all resolution measures undertaken to the County Executive Office. The \$25,000 threshold may not be avoided by artificially splitting or breaking up contracts into lesser agreements, or entering into a series of agreements for sums below the \$25,000 threshold. documentation or other documentation substantiating that the project, program, service and/or support was not able to be competitively bid and such documentation shall be attached to the contract(s) for any such project, program, service and/or support.

The RESORT ASSOCIATION shall not use any funds received under this Agreement for political contributions of any type. The RESORT ASSOCIATION may use budgeted funds received under this Agreement to obtain legislative advocacy services, so long as those services are exclusively utilized in a manner consistent with the intent and purpose of this Agreement and the duly adopted policies of the COUNTY regarding any issue for which such services are obtained by the RESORT ASSOCIATION. Such efforts may include advocacy for state and federal funding to implement identified infrastructure projects, transit operations, and/or other legislative efforts consistent with the intent and purpose of this Agreement that are allowable with respect to expenditure of public funds.

RE:

FY 2016-2017 Requested Changes to Contract Attachment E-1

The marketing department held an in-depth webinar with NTLRA staff, staff members from Abbi Agency and Augustine Ideas along with marketing committee member Carlynne Fajkos of Northstar to review and update the metrics in the agreement between Placer County and NLTRA.

We believe that we have been able to replace out-of-date information and update the attachment with relevant data that gives a better picture of our marketing program success, and guidance.

The marketing committee voted 5-0 to approve these changes, with a proxy from Carlynne Fajkos as she was unable to attend the committee meeting on the 26th, but was instrumental in these changes.

Attached you will find two versions of Attachment E-1, an updated version with requested changes highlighted, and the original version for comparison.

Staff is requesting Board approval of these changes to present to the Board of Supervisors later in October.

FY 2016-2017 Special Event Grant Funding Recommendations

The Special Event Task Force met in September, interviewed all of the grant applications and submitted their recommendations to the marketing committee for further recommendations and/or approval. At the September 27th marketing committee meeting, there was no quorum but did receive 4-0-1 approval of the approved funding with one abstention by Todd Jackson as he has requested funding for two of his programs.

Task force members:

Amber Burke – Northstar California Resort Lisa Nigon – West Shore Café Carlynne Fajkos – Northstar California Resort Caroline Ross – Village at Squaw Valley Kyle Faucher – Squaw Valley Erin Casey – Placer County Sandy Evans Hall – NLTRA JT Thompson – NLTRA P

Grant Funding Recommendations Fiscal 2016-2017

Grant Funding Available:

\$50,000

Grant Funding Requested:

\$76,500

Grant Funding Recommended by Committee:

\$46,000

Great Trail Race / Big Blue Adventures October 8, 2017

Request \$12,500 Recommended \$12,500

Measurement: Attendee survey of first year event and room pick-up.

This race is set to embody the purpose of The Great Ski Race. The Great Trail Race will serve as a fundraiser for Tahoe Nordic Search and Rescue.

It has been recommended that BBA work with Placer County lodging to secure courtesy room blocks to track incremental room nights.

Squaw Valley Half Marathon / Big Blue Adventures June 11, 2017

Request \$7,500 Recommend \$4,000

Measurement: Attendee survey, YOY growth and PR reach.

This event generates a financial contribution to the Sierra Watershed Educational Partnership. The committee felt this was a program that has a good growth potential and is recommending partial funding with in-kind support to increase awareness.

Tahoe Sierra Century / Fine Art's North Fan Club September 16, 2017 Request \$10,000 Recommend \$5,000

Measurement: Tracked room nights, attendance increase over last year.

30-60-100 mile bike races/tours. This event raises funds for local middle school and high school music programs. Attendance has been good over the year, but stagnant. The committee recommended partial funding with in-kind PR support to assist in increasing the reach and knowledge of the event.

Lake Tahoe Music Festival

August 2017

Request: \$3,500 Recommend: \$5,000

Measurement: Registered artists, surveys, foot traffic counts

Lake Tahoe Music Festival Sunset Serenades, 5 day concert series, brings classical music in an informal and intimate setting. Performers are recent graduates from such schools as Julliard, SF Music Conservatory and the Manhattan School of Music. Committee recommended additional funding to market this to millennial's as well as share this event with our reach in Chicago, Atlanta and NY with larger classical music followings.

Equilibrium / Squaw Valley Institute Request \$15,000 Recommend: \$0

Measurement: Ticket sales, lodging and participant survey

First year event for the tech industry. Includes speaker series with evening concerts, but speaker line up had not been solidified to date. Committee felt that this event has great potential, but requested that marketing staff stay involved until the updated programming and potentially assist with a minimum \$15,000 annual sponsorship if the program grows. Event dates compete with a large tech conference in San Francisco, Disrupt.

Squaw Mountain Run / Auburn Ski Club

July 29, 2017

Request: \$2,500 Recommend: \$2,500

Measurement: Increase in spectators, lodging

The Auburn Ski Club has a large reach of winter sports enthusiasts throughout the Northern California region. The committee agreed that this event has the potential to reach a broader audience by connecting with the Sierra Crest ultra running event the following weekend and ties in with our ongoing HPS messaging.

Experience our Parks / Sierra State Parks Foundation

Various Dates / winter 2016-17

Request: \$1,500 Recommend: \$3,000 Measurement: Traveler survey, media reach

This event aligns well with the BACC Touch the Lake program by getting people to the lake during the winter. NLTRA will assist with in-kind PR support.

Snowfest 2017 March 3-12, 2017

Request: \$10,000 Recommend: \$0

This event has been funded for many years without any solid reporting on incremental room nights. This event is hard to evaluate for 2017 due to lack of new programming in place. Committee suggested that the NLTRA continue to support through in-kind PR support.

Tahoe Vista Paddlefest / Mourelatos Lakeshore Resort

September 9-10, 2017

Request: \$10,000 Recommend \$10,000

Measurement: Incremental room nights, participant and visitor surveys

This event shows great promise for growth and has built in tracking mechanisms to assist all the Tahoe Vista and Kings Beach lodging properties. It was also requested by the committee that the NLTRA assist with a minimum of \$5,000 of in-kind PR support for the event to broaden reach.

Tahoe City Wine Walk

June 17, 2017

Request: \$2,000 Recommend \$2,000

Measurement: Lodging partnerships, incremental room nights, PR reach and ticket

sales

This event is a great draw for tourists coming into the basin. With the proper assistance in building a lodging package around this weekend we feel this event can grow.

Tahoe City Oktoberfest October 7, 2017

Request: \$2,000 Recommend: \$2,000

Measurement: Ticket sales, lodging partnerships, room nights

This event, like the Wine Walk has potential to increase visibility of current and ongoing NLTRA marketing initiatives. We will assist with lodging packaging and have the ability to tie this event into the current Ale Trail marketing program.
