**L. Adjournment 11:00 a.m.**

## **NLTRA Board Meeting – October 5, 2016**

### **Executive Summary of Key Items**

#### **F. Consent Calendar**

##### **9. Memorandum of Agreements**

- These MOAs are from last year's call for projects that were approved. The funds became available July 1, 2016 and now the agencies are completing their agreements stipulating use of funds and reimbursement process.
- The final MOA (9-d) is between Placer County Visitor Bureau and NLTRA and is a renewal of the agreement that has been in place for several years. Major changes were made to this agreement 3 years ago identifying trade shows, reporting, and lead sharing opportunities in exchange for the \$40,000 in TOT that is provided to the PCVB.

#### **G. Strategic Discussion**

##### **1. Board Governance and Responsibility Review – Pam Hobday**

- Pam Hobday, CEO of Pamela Hurt Associates will provide a strategic discussion of some general standards of excellence in board governance to include board culture and fiduciary responsibilities.
- What are ways that the board members would like to improve their governance?

#### **H. Action Items**

##### **1. CI/T Subcommittee Final Recommendation**

- The CI/T Subcommittee, Chaired by Samir Tuma and including Jaime Wright, Will Garner, Mike Staudenmayer, Cindy Gustafson, Erin Casey, Alex Mourelatos, and Jim Phelan met twice during September to come to agreement on the recommended changes
- The biggest change will be that MOAs or Contracts with applicants for TOT funds will be written and monitored by Placer County. NLTRA staff will continue to lead the grant allocation process with the CI/T Committee and will be expected to focus more on the outreach for potential projects that align with the Tourism Master Plan.
- There is no revenue impact to this change, which has been agreed to by the County and will be integrated into the NLTRA/Placer County Contract Amendment before the Board on October 5.

##### **2. NLTRA/Placer County Contract Amendment**

- This amendment integrates the changes discussed in H-1 above as well as some issues with a late permit for the Spartan Race this year.
- You have a red-line version of both the contract and Scope of Work so that you can see the changes.
- Attachment C (Contract Budget) also shows a change from the original budget by an increase of \$2,233,580 for Capital Improvements. This increase places money in the County Treasury to cash flow all prior allocations and commitments as well as provide funds for this year's TOT grants.

### **3. Metrics for Marketing Success**

- In conjunction with members of the Marketing Committee, our agency, Augustine Ideas, and the Abbi Agency, NLTRA staff reviewed all of the metrics required by Placer County to evaluate the success of the publicly funded marketing programs.
- The changes proposed are highlighted in red, yellow, and green for easy reference.
- Once approved, these new sets of metrics will replace the former Attachment E-1 and will be used for semi-annual and annual reporting.
- This change is intended be integrated into the Contract Amendment above as it goes to the Placer Board of Supervisors.

### **4. Special Event Grant Fund Recommendations**

- The Task Force comprised of members of the BACC, NLTRA staff, County staff and Marketing Committee.
- The total allocation was \$46,000 of the total \$50,000
- There were two events that were not given any funding, both of which will be asked for further event concept development before being considered.

### **5. Appointment of Election Committee**

- According to the NLTRA Bylaws, the Board must appoint an election committee to assist with identifying qualified candidates and conducting the election process
- The committee must consist of at least 3 members of which at least 1 must be a Board Member. More than 1 Board Member may participate.
- The other members that have agreed to serve are Stacie Lyans, Kay Williams, and Alex Mourelatos, all leaders within diverse geographic sectors of our region.

### **Supplemental Staff Reports**

- There are no Conference Sales Reports in the packet this month due to the new CRM which has not been able to generate the reports yet.
